# Building a *Systems Thinking* Workspace at **One Moody Street**

## What Is It?

Pegasus Communications would like to invite you to join our workspace. Our aim is to co-create an open, creative working environment where people interested in system thinking and other change management methodologies have access to the resources, help, contacts, advice, partnerships, and inspiration they need to achieve their goals and objectives.

The Pegasus workspace provides a part-time alternative to your home office or noisy café, where you can get work done alongside a diverse group of peers in an environment suited to building community and transforming your ideas into action.

*Whether you live close by or regularly come to the Boston area from other locales for meetings, use our workspace as a professional landing spot.*

## How Does It Work?

Workspaces are available on a part-time basis in 4-hour blocks, Monday through Friday. The AM block runs from 8:30 AM–12:30 PM, and the PM block runs from 1:30 PM–5:30 PM. Membership includes one 4-hour block per week; you can purchase additional blocks as needed. By using our online reservation system, you can ensure that a workspace is ready when you are.

To accommodate your vacation plans, twice a year, you can put your block hours “on hold”; that is, you can accrue them and use them at a different time.

Each workspace includes an internet connection and phone. All members have access to the Pegasus Communications library, kitchen, and conference rooms.

Our office has two conference rooms that can be reserved in advance. A larger conference room that accommodates 10–12 people can be set up for multimedia presentations.

A smaller conference room can accommodate 4–6 people. Each is equipped with white boards, phone and internet connections, comfortable seating, and plenty of natural lighting.

Our office is located at **One Moody Street in Waltham MA, at the intersection of Main Street and Moody Street**. There are plenty of great restaurants within walking distance, and a stroll along the Charles River is just a block away. Only 15 minutes from Boston and Cambridge by car, Pegasus is also easily accessible to the commuter rail and Route 128. Plenty of free parking is available on site.

We look forward to the opportunity of working together to create learning and collaboration opportunities throughout the week. Brown bag lunches, lectures, and other events are open to all members, with no need to reserve a spot in advance.

## What Does It Cost?

Membership starts at \$45.00 a month for one block per week (an average of 16 hours per month). Reduced rates are available for additional blocks and 6-month or annual memberships. Pegasus Communications is open to negotiating memberships in the form of in-kind services. • *New members can test out our space for one month at only \$40.*
